Thank you for contacting me to express your opposition to the Department of Health and Human Services (HHS) Secretary Robert F. Kennedy Jr. I appreciate the opportunity to respond.

President Trump and Secretary Kennedy's Make America Healthy Again (MAHA) agenda received strong support from voters in the November 2024 election—and for good reason. The COVID-19 pandemic exposed serious shortcomings in our public health system including widespread misinformation from government sources regarding the virus's origin, vaccine efficacy, and transmission data. At the same time, the nation has seen alarming increases in obesity and chronic health conditions—issues that have long been neglected by the federal health establishment. The MAHA agenda represents a much-needed course correction, focused on restoring public trust, prioritizing transparency, and promoting healthier outcomes for all Americans. To that end, I am a proud member of the Congressional MAHA Caucus, and I am committed to using my position on this caucus to deliver reforms that make our country healthier.

You may be interested to know that I proudly supported the Chronic Disease Flexible Coverage Act (H.R.919) when this legislation unanimously passed the House by voice vote on March 4, 2025. H.R.919 would allow employer-sponsored healthcare coverage to include treatments focused on chronic disease management and prevention, reducing the out-of-pocket costs of Americans with chronic diseases. Presently, H.R.919 has been referred to the Senate for further consideration.

As a Member of the House Energy and Commerce Committee – which has jurisdiction over all healthcare policy – rest assured that I will keep your thoughts in mind as Congress considers further legislation regarding the MAHA agenda and codifying Secretary Kennedy's changes within HHS.

Once again, thank you for contacting me about this important issue. Please do not hesitate to reach out with any additional questions, comments, or concerns. My door is always open, and I am honored to serve Western New York and the Southern Tier in Washington.

Sincerely,

**Rep. Nicholas A. Langworthy**  
**Member of Congress**
