Live forecast

As of 3:08 AM ET, our best estimate was that reported vote and appeared to be on track t

Our election model estimates who will win in the votes we think remain. As more votes are counted, it becomes more certain.

We turned off the live forecast at 3 a.m. Eastern on Nov. 4. These graphics and estimates will no longer be updated. Show the archived estimates.

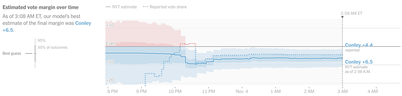

Where votes remain

These maps show how far the leading candidate is ahead in the reported votes, and where our model estimates outstanding votes remain.

Estimated vote margin over time

As of 3:08 AM ET, our model's best estimate of the final margin was Conley +6.5.

Expected vote over time

What's powering our live forecast

Our model relies on a combination of extensive pre-election and election night data.

Pre-election polls
At the start of the night, our estimate is based on pre-election polls, past election results and demographic data. 10%

Our model
As votes come in, we compare actual results to our pre-election estimates to create a statistical model of the remaining vote. 32%

Actual results
As a county reports more votes, these tabulated results will gradually supersede our previous estimates. 58%

What our model can see
Our forecast is currently reading results from 1 county where vote reporting is close to finished.

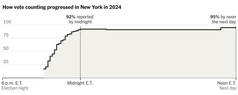

About this race

Representative Mike Lawler, a Republican, has defied political odds by holding on to a suburban New York district that Kamala Harris won in 2024. This year he is facing a challenge from Cait Conley, a Democrat and a military veteran who has sought to tie Mr. Lawler to President Trump.

Results timing in New York

Most votes are expected by noon on Wednesday. Mail ballots have a week to arrive if postmarked by Election Day, but only about one in 10 voters cast them in 2024.

How vote counting progressed in New York in 2024

Compared to past results

Current margin	D+4
2024 House margin	R+6
2024 presidential margin	D+0.56

How votes compare with 2024

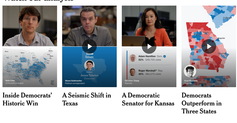

This map compares the results with the margins in the 2024 presidential election. Only areas that have reported almost all of their votes are shown.

County	Margin	Shift from 2024	▾ Votes	% in
Rockland	Lawler +9	↘ 3 pts.	122,950	>95%
Putnam	Lawler +1.8	↘ 12 pts.	42,554	>95%

Compared with the 2024 presidential margin vote in places that have reported almost all of their votes.

Cait Hulse Reporting from Maine

I talked exclusively to Senator Susan Collins in the wake of h defeat, and she said she had been swept away in the anti-Tr wave. The Maine Republican has long defied political gravity voters in the state who had backed her repeatedly said they couldn't do it this time — not because of Collins, but because Trump...
